Amendment 7  
Q&A November 20, 2015**

Q46: Please advise if the 40-page limit for the proposal response applies to the 17 questions as noted in the RFI, or if the limit is also inclusive of the responses in Exhibit B as well?

A46: You should respond only to the 17 questions and yes, in 40 pages or less. Vendors will be asked to respond to the individual requirements (exhibit B) at the time of RFP.
